

0

Write 2 in cell a.

1

Write 7 in cell b.

2

Write 1 in cell c.

3

Write 6 in cell e.

4

Write 7 in cell f.

5

Flip the sponge at
column cell a, row cell b
to its green side.

6

Add cell a and
cell c.

Write the result
in cell a.

7

Flip the sponge at
column cell a, row cell b
to its green side.

8

Compare cell a
and cell f.

If cell a is less, write 1
in cell d. Otherwise,
write 0 in cell d.

9

If cell d is 1, go to
instruction cell e next.

Otherwise, ignore this
instruction.

10

Write 2 in cell a.

11

Write 2 in cell b.

12

Write 7 in cell f.

13

Write 15 in cell e.

14

Flip the sponge at
column cell a, row cell b
to its green side.

15

Add cell a and
cell c.

Write the result
in cell a.

16

Compare cell a
and cell f.

If cell a is less, write 1
in cell d. Otherwise,
write 0 in cell d.

17

If cell d is 1, go to
instruction cell e next.

Otherwise, ignore this
instruction.

18

Flip the sponge at
column cell a, row cell b
to its green side.

19

Write 1 in cell a.

20

Write 6 in cell b.

21

Write 8 in cell f.

22

Write 24 in cell e.

23

Flip the sponge at
column cell a, row cell b
to its green side.

24

Add cell a and
cell c.

Write the result
in cell a.

25

Compare cell a
and cell f.

If cell a is less, write 1
in cell d. Otherwise,
write 0 in cell d.

26

If cell d is 1, go to
instruction cell e next.

Otherwise, ignore this
instruction.

27

Flip the sponge at
column cell a, row cell b
to its green side.
